PROFESSIONAL SUMMARY

Results-driven MERN Stack Developer with 6 months of hands-on internship experience building and maintaining full-stack web applications. Proficient in JavaScript (ES6+), React.js, Node.js, Express.js, MongoDB, and Tailwind CSS. Proven ability to design RESTful APIs, build responsive UIs, implement authentication mechanisms, and apply version control best practices. Seeking an entry-level developer role to contribute to impactful web products while continuing to grow as a full-stack engineer.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS

Backend: Node.js, Express.js

Database: MongoDB

Tools & Platforms: Git, GitHub, Postman, VS Code

Concepts: RESTful API Design, Responsive Design, Authentication & Authorization, Version Control

INTERNSHIP EXPERIENCE

Full Stack Web Development Intern | *Inetz Technology*

November 2025 – April 2026

- Developed and maintained full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Built responsive, cross-device UIs with React.js and Tailwind CSS, improving user experience and accessibility.
- Designed and implemented RESTful APIs using Node.js and Express.js to enable efficient client-server communication.
- Integrated validation middleware and secure authentication mechanisms (JWT/session-based), ensuring data integrity and application security.
- Collaborated with a team on real-time projects, following best practices in coding, debugging, and Git-based version control.

PROJECTS

Skill Swap – Full-Stack MERN Application

- Built a full-stack Skill Swap platform enabling users to list and exchange skills, using MongoDB, Express.js, React.js, and Node.js.
- Implemented a responsive UI with React.js, ensuring optimal usability across desktop and mobile devices.
- Developed backend API endpoints for user management, skill listing, and real-time interaction features.

Responsive Website – Frontend Project

- Designed and developed a fully responsive website using HTML5 and CSS3 with a focus on clean layout and user-friendly design.
- Applied modern CSS techniques (flexbox/grid) to ensure compatibility across different screen sizes and browsers.

EDUCATION

Bachelor of Computer Science

July 2023 – May 2026

Mar Gregorios College | Madras University, Chennai
