PROFILE

Highly motivated B.Sc Computer Science student with a deep interest in exploring emerging technologies. Currently pursuing a MERN Stack Development course, having successfully completed the frontend phase (HTML5, CSS3, JavaScript) and developed a Static Website Project. Beyond web development, I actively stay updated on AI trends and Ethical Hacking fundamentals. A quick learner with a 'logic-first' approach, proficient in Java and Python basics, and eager to apply my technical curiosity to solve real-world problems in a professional environment."
